

# Temporary Formula Substitutions

Effective March 3, 2022

If you are having trouble finding your WIC formula, you may temporarily use your WIC benefits to buy one of the formula options listed below. It is important to ALWAYS try to find your regular product first.

Since the formula you normally get from WIC requires approval from your baby's healthcare provider, it is very important that you talk to them before offering another formula.

| If you cannot find...  | If you cannot find...  |
|--|--|
|  <p><b>Similac Spit-Up</b><br/>12.5 oz powder</p>   |  <p><b>Similac Alimentum</b><br/>12.1 oz powder</p>   |
| You can substitute...  | You can substitute...  |
|   <p><b>Enfamil A.R.</b><br/>12.9 oz powder</p> |   <p><b>Parent's Choice Hypoallergenic</b><br/>12.6 oz powder<br/>(only at Walmart)</p>  <p><b>Comforts Hypoallergenic</b><br/>12.6 oz powder<br/>(only at Kroger)</p>  <p><b>Tippy Toes Hypoallergenic</b><br/>12.6 oz powder<br/>(only at Food City and Weis)</p> |

This institution is an equal opportunity provider.
